About Sienna

Founded in 2012, Sienna
specialise in designing, supplying mesh
office chair made of only premium materials.

We combine the durability and beauty
of office chair with the ergonomics properties
and comfort of adjustable mesh chair.

Our goal is to be the leading provider
of occupational health solutions in global
markets in the future. Our vision is to offer
wellness solutions that make work, both
at the office and at home, more comfortable
and healthier. We believe that ergonomics
is the key to a better work life and
daily routine.

**“Happily
presenting
a bonanza
of office
chairs”**

London

An exceptional entry point into high-performance office seating, boasting space efficiency and even more options.

Brussels

Simple controls make sitting a pleasure, and the variety of choices makes coordination a breeze.

Florence

Florence offers attainable ergonomic performance with a boost of expression. The geometric, lumbar-focused back design comes in standard or quilted upholstery.

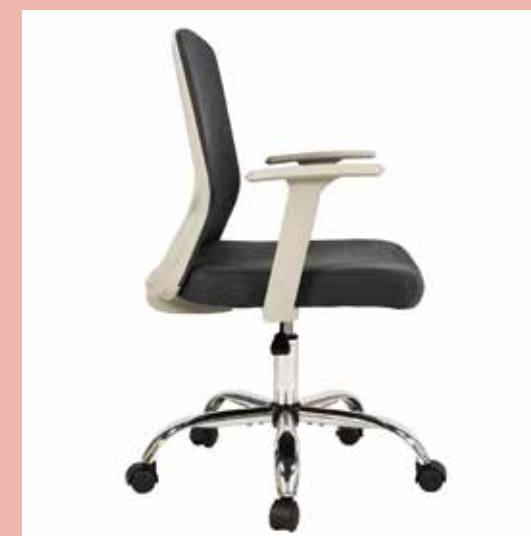

Barcelona

Sit back and let physics do its job. With a proprietary performance textile and light frame, Sienna goes beyond leading mesh office & desk chairs to provide effortless comfort and ergonomic support.

New York

New York office chair creates a perfect solution for meetings and conference rooms, the breathable high mesh back, fixed arms and polished aluminum base option elevate the status of your conference rooms and support collaborative meetings of any length and any of any variety.

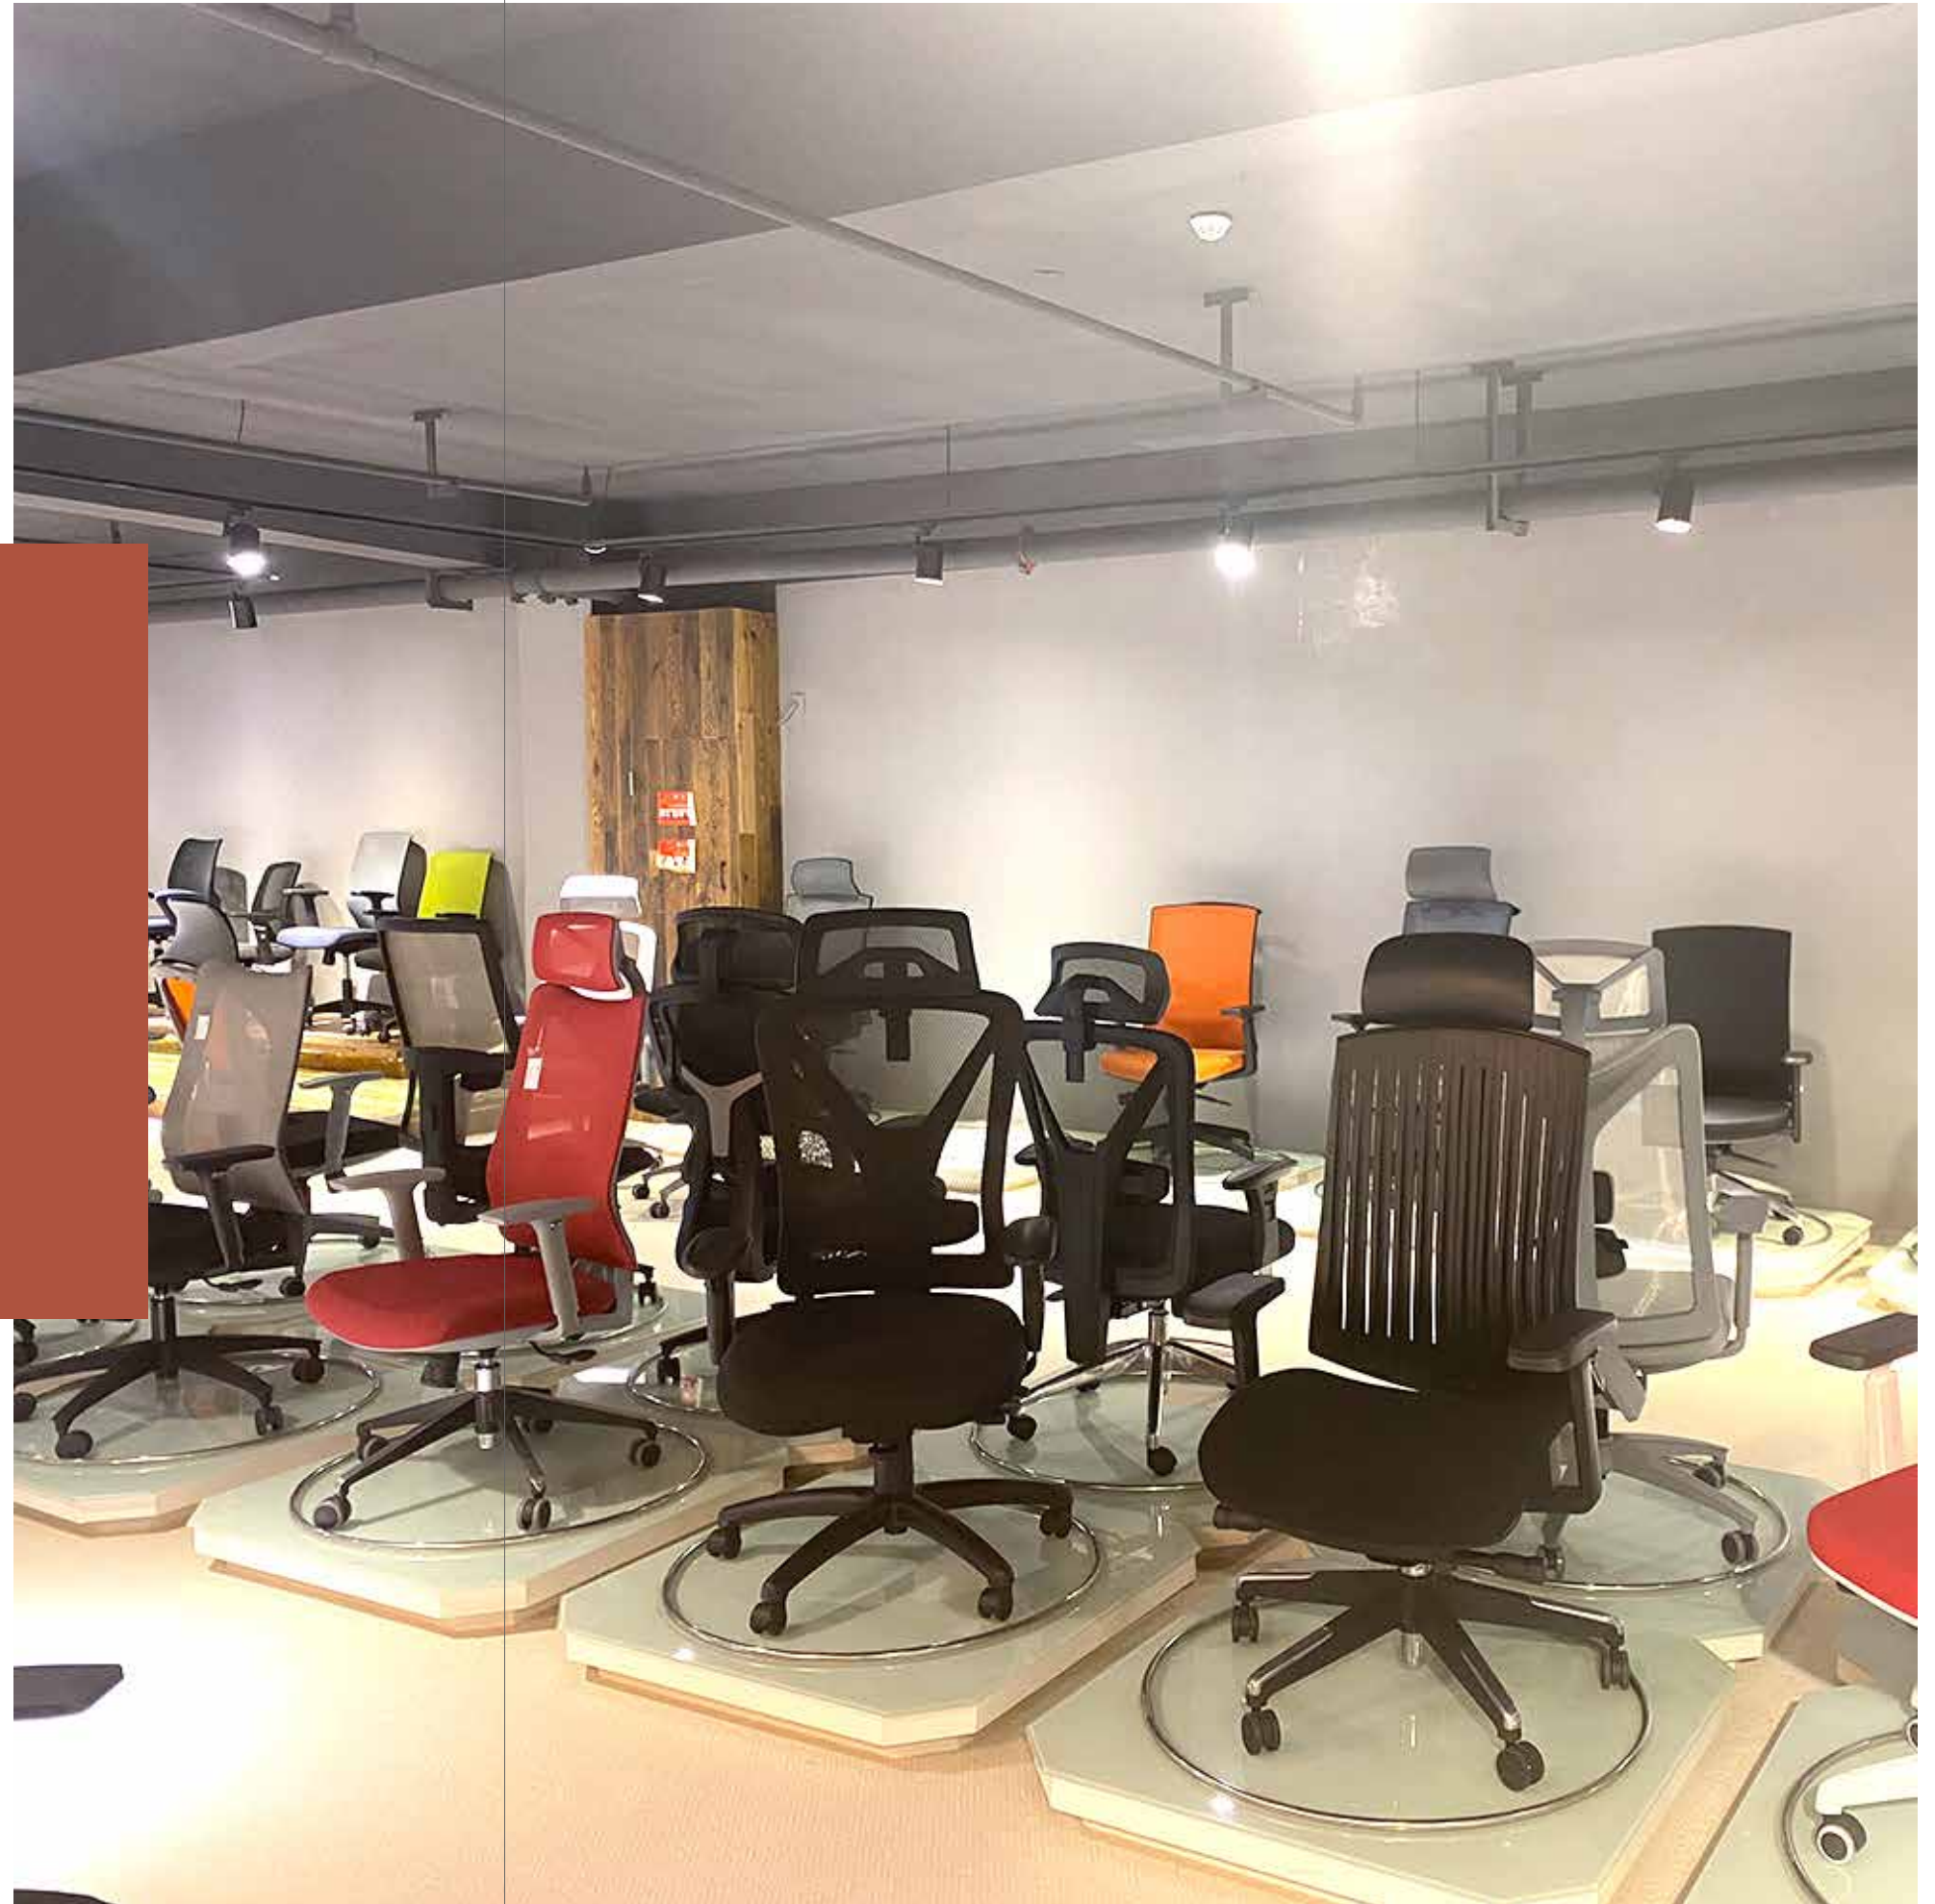

Lisbon

Lisbon is an ergonomic task chair that brings a refined style to any space, enhanced by precise manual adjustments, three back options and responsive support.

**"We create
more than
just chairs,
we provide
fantasy"**

**"WE CREATE
EVERYTHING
IN CHINA
AND SEND IT
ABROAD."**
